19-20 January 2026 يناير 20-19

The Finnish Approach to Innovative Leadership: Supporting Learning and Well-being

Welcome : Brief introduction of presenters and context

➤ **Education System in Finland**

➤ **Finnish Leadership Roles and Values in Practice**

- Leadership roles in Finnish education: Trust-based , Equity and inclusion as leadership responsibilities
- Wellbeing as a foundation for learning
- Shared leadership: teachers, students, and support teams.

Examples form Finland

➤ Practical Leadership Strategies

- Supporting teacher autonomy and professional trust
- Building wellbeing into daily routines
- Professional development
- Preventive rather than reactive support
- Collaboration
- SEN / trainers' and teacher role

➤ **From Insight to Action**

Small steps and give time for changes

➤ **Reflection questions**

Thank you
